Award Amount: \$1,976

Award Period: 2025-2026

Major: DPM:POD

GPA: 3.94

Home State: Florida

Thank you for your generous support through the Bako Medical Education Foundation Endowed Scholarship. My name is Carolina, and I am a third-year student at Barry University School of Podiatric Medicine. I am truly grateful for your investment in my education and future career in medicine.

As a first-generation Cuban-Lebanese American from Miami, this scholarship holds deep personal significance. Your support eases the financial burden on my family and allows me to remain fully focused on my clinical training and academic goals.

Your generosity has directly contributed to my academic success. I have maintained a strong GPA, earned placement on the President's and Dean's Lists, and was inducted into the Pi Delta Honor Society. I also remain active in leadership roles, including serving as Vice President of the Radiology Club, as a hospital team leader for third-year rotations, and as a student ambassador at national conferences. Additionally, I have coauthored research posters and articles, and I continue to volunteer in community clinics serving underserved populations.

This scholarship brings me closer to my goal of becoming a compassionate, community-centered podiatric physician. It enables me to pursue meaningful clinical experiences and research opportunities that will shape the physician I aspire to be.

Thank you again for your generosity and belief in students like me.

Best,
Carolina Vigo
