
2022-2023 SCHOLAR

Lindsey Kanno

Email: Lindseymkanno@gmail.com

Hometown: Tokyo, Japan

Amount Awarded: \$1,303

Award Period: Fall 2022

GPA: 3.3

“Thank you very much for awarding me the Bako Medical Education Foundation Endowed scholarship! I greatly appreciate this scholarship and the assistance it will provide me with continuing to pursue my DPM degree. Tuition and additional fees such as Boards Part 2, residency interviews, travel, and accommodations to and from clerkships increase significantly upon your fourth year of podiatric medical school. This scholarship will help to lessen the financial burden. I look forward to the period in my podiatric medical career where I will become a donor to the Bako Medical Education Foundation Endowed Scholarship to financially assist another podiatric medical student! I believe in paying kindness forward so please note that this opportunity will not end with me. Thank you very much!”
