Why did you choose your field of study?

From a young age, I have always been drawn to the medical field, and as I grew, so did my passion for it. Podiatry, in particular, appeals to me because it offers an excellent work-life balance and the opportunity to explore various aspects of healthcare while working with a diverse group of people.

Describe your favorite or most memorable DMU experience (current students) OR Why you chose DMU (incoming students)?

I chose DMU because of its welcoming campus environment, the positive feedback from previous students, and the way the teachers interact with the students. When I visited the school, I was warmly welcomed and pleasantly surprised by the brand new campus and its excellent facilities.

Why are you grateful for this support and what it has/will allow you to accomplish?

I am grateful for this support because it has provided me with the opportunity to pursue my passion for podiatry at DMU. This support has allowed me to access high-quality education and resources, and it has given me the confidence to strive for excellence in my studies. With this foundation, I am confident that I will be able to achieve my goal of becoming a skilled podiatrist, contributing to the healthcare field, and making a positive impact on the lives of my patients.

Thank you

Hello,

I am writing to express my heartfelt gratitude for your generous support. This opportunity has enabled me to pursue my passion for podiatry at DMU. Thanks to your support, I have access to high-quality education and resources, and I feel confident in my ability to excel in my studies. This foundation will allow me to achieve my goal of becoming a skilled podiatrist, contributing to the healthcare field, and positively impacting my patients' lives.

Thank you once again for your kindness and support.
