“Thank you very much for the Bako Medical Education Foundation Endowed Scholarship. This scholarship is important to me and my family, it allows me to continue pursuing my medical education. Receiving this scholarship has impacted my academic career and will positively impact my future.

After graduation, you have inspired me to create a scholarship for the next generation of Barry Podiatric students. Being from New Mexico, social justice is a fundamental principle that has shaped my beliefs and actions throughout my life.

Thank you for giving me this opportunity.”
