

BAKO Pathology Services Endowed Scholarship

2019 Recipient

Anthony Wright, DPM Class of 2022

ABOUT ANTHONY:

Anthony Wright was born and raised in San Diego, and he is the first in his family to go to graduate school. Anthony feels blessed to have an extraordinary wife who makes it possible for him to follow his dream of becoming a podiatric medicine physician, and he also has a beautiful three-year-old daughter who motivates him to set an example of ambition and perseverance.

On campus, Anthony is an editor for the College of Podiatric Medicine's *Extremitas Journal* and last year served as his class's Curriculum Representative to the Student Government Association. He currently serves as a member of the College's Student Ambassador Leadership Training team and will continue to do so until graduation.
